'Fantastical 2 is the calendar app your Mac has been waiting for' - The Verge 'Terrific new version of one of my very favorite apps..' - Wired Fantastical 2's natural language event and reminder creation, beautiful calendar views, and ultra-smart event list make it the best calendar and reminders app you'll ever use.. Just type in that you have 'Lunch with John on Friday at 1pm' and Fantastical 2 will schedule it! Or type in 'remind me to Buy Milk on Tuesday' and Fantastical 2 will create a reminder with a due date! What's New - Added support for Tabloid and Tabloid Oversize paper sizes when printing - Fixed control-clicking in the Day, Week, or Month view sometimes causing a mouse drag to begin - Fixed completed reminder checkbox appearing the wrong color in some situations - Various fixes and improvements By the way, App Store reviews are very helpful to us.
